Global Furniture Group originated in 1966, when the company was founded with the vision of manufacturing well-made office furniture at affordable prices. More than 70% of everything Global designs and produces is made in-house. With over 40 just-in-time manufacturing and product assembly plants within a 25 km radius in Toronto (Ontario), Global has the ability to respond, customize and deliver high quality products to its customers with ease and efficiency.

Global offers a comprehensive portfolio of solutions that are designed and engineered to meet the changing needs of the Workplace, Education and Healthcare markets. Our success over the past half-century owes much to our diverse team, who take pride in creating quality products and providing the highest level of service to our clients.

Above all, Global is a trusted partner. We are committed to our customers' needs by working together to develop lasting and valued solutions.
