

ARLO

lounge swivel chair

The Arlo™ lounge swivel chair was designed to elevate your workspace, providing a stylish and functional addition to any setting. Crafted with plush cushions, a contoured back + a sleek base, Arlo not only offers durability but also exudes a contemporary charm. Its robust build ensures stability + support, and the swivel task or tilt mechanism allows adjustability for additional comfort. Use the task chair for any lounge setting or opt for the tilt chair in smaller conference rooms.
