

BRIGHTON FX

high back tilter

Brighton FX™ is a high back tilter chair with a gaming-inspired aesthetic, suitable for management and conference rooms. This ergonomic chair features a contoured seat and back with plush padding, and a fun splash of colour that enhances any office environment. With the smooth tilting mechanism, it promotes dynamic movement and productivity during meetings or brainstorming sessions. Upgrade your workspace with a chair that ensures you stay comfortable and focused whether you're strategizing in the boardroom or leading a conference call.

- tilter mechanism with upright position tilt lock
