

## Sleek. Simple. Innovative.

Ionic panels are a slim-line system that adheres to the timeless adage of “less is more”. Available in 66”H by 36”, 48” or 60”W, these innovative panels create efficient work space surrounds and freestanding or mobile dividers. Minimal components offering maximum flexibility that’s simple to specify and easy to install. Self-leveling connectors accommodate any angle including 90°, 120°, T and X connections. Off module connectors are also available.
