

# MARLEE

## medium back synchro-tilter

Discover the perfect blend of comfort and practicality with our fully upholstered synchro-tilter chair, proudly made in Canada. Designed for those seeking an affordable and stylish ergonomic seating solution, Marlee™ offers a soft, padded seat and back for all-day comfort. Choose the model with height and width adjustable arms or opt for an armless version to suit your workspace needs. The synchro-tilter mechanism allows for smooth, ergonomic movement, promoting a healthy sitting posture. Ideal for both home offices and professional environments, this chair combines functionality with a modern aesthetic.

- synchro-tilter mechanism with upright position tilt lock
- tilt tension adjustment
- pneumatic seat height adjustment
- models available with height and width adjustable arms with sliding armcaps or without arms
- Black 5-prong, injection molded, fiberglass reinforced nylon base with dual wheel carpet casters
- weight capacity of 300 lbs.
- seating surfaces can be upholstered in Luxhide bonded leather (various colours) or in all Global grade 1 seating textiles
