Offices to Go seating

Offices to Go offers chairs of exceptional comfort and design that maintain a value-minded approach. Choose from a variety of chairs to complete your office environment.

Offices to Go chairs are built to commercial quality standards. Most models are Canadian made, while others are imported. In either case, all Offices to Go chairs are manufactured exclusively in certified factories and have been tested to ensure compliance with ANSI & BIFMA seating standards.

Offices to Go products were designed to be quick and easy to assemble. Our products come with easy to follow assembly instructions and detailed pictures. Every Offices to Go chair is covered by a limited lifetime warranty.

Offices to Go chairs include ergonomic features, unique designs and a high level of quality. We know you will enjoy the comfort and value of your Offices to Go chair.

Ibex | Ergonomic features

Ibex is built with ergonomic features that are designed to promote good posture and provide maximum comfort. Be sure to always select a chair that is designed for the type of work you perform and the length of time spent using it. Proper ergonomic seating can help eliminate many of the work related injuries that result from poor posture.

ERGONOMICS

ERGONOMIC SEATING FEATURES AND BENEFITS

Every chair is built with features that are ergonomically designed to promote good posture and provide maximum comfort.

A TENSION ADJUSTMENT

Increase or decrease to match body weight. Allows you to rock comfortably, without heavy pushing, reducing muscle fatigue.

L SYNCHRO-TILT MOVEMENT

Backrest reclines at a faster rate than the seat, increasing the angle between your torso and thighs. Enhances comfort and encourages dynamic body movement.

B CHAIR TILT LOCK

Lock the tilt movement in position(s) to accommodate your working posture. Allows you to lock your chair in a comfortable and supportive position (can be either single, multiple or infinite position).

M WATERFALL SEAT EDGE

Reduces pressure at the back of the knee, contributing to good blood flow.

C SEAT HEIGHT

Raise or lower to allow your feet to rest flat on the floor. Avoids pressure under your thighs, easing blood flow.

N CONTOURED CUSHIONS

Support the body effectively, allowing you to sit longer without discomfort.

D BACK / LUMBAR HEIGHT

Raise or lower to position lumbar support in your lumbar area. Reduces likelihood of back pain.

Q WIDTH ADJUSTABLE ARMS

Allows outward movement of armrests to match shoulder breadth. Ensures armrests properly support forearms, reducing muscular effort in neck and shoulders.

E SEAT DEPTH

Change the depth of the seat to accommodate the length of your thighs. Keeps your back in contact with the backrest while avoiding pressure behind your knees. Can be sliding (MD) or manual.

R ARM ROTATION

Rotate armcaps to support your forearms in various positions. Reduces muscular effort in neck and shoulders, minimizing risk of pain.

F SEAT ANGLE ADJUSTMENT

Allows chair to tilt forward changing the angle of your thighs in relation to the floor. Helps reduce disc pressure during forward leaning tasks.

S CENTER-TILT

Chair tilts from a pivot point under the center of the seat allowing you to rock. When your feet are well supported, blood flow is enhanced.

G BACK ANGLE ADJUSTMENT

Adjust to change the angle of your torso in relation to your thighs. Helps reduce disc pressure and relaxes your back muscles.

V LUMBAR DEPTH ADJUSTMENT

Increase or decrease curvature of the back to match the profile of your lower back. Enhances comfort and support in the lower lumbar area.

H ARM HEIGHT

Raise or lower to support your forearms. Reduces muscular effort in neck and shoulders, minimizing risk of pain.

WARRANTY & PRODUCT OPTIONS

WARRANTY & PRODUCT OPTIONS

LIMITED LIFETIME WARRANTY

Offices to Go products are covered by Global's Warranty (Limited Lifetime with 5-year or 2-year exceptions). For warranty details, please visit our [website](#).

BIFMA

- All products and components are tested to meet ANSI & BIFMA seating standards.

GREENGUARD

- All chairs are in compliance with the guidelines set by the GREENGUARD Environmental Institute.

Notes

- All Offices to Go chairs are manufactured exclusively in certified factories and have been tested to ensure compliance with all applicable industry standards.
- Casters:
 - For chair models beginning with OTG, dual wheel carpet casters are standard. Special application casters can be purchased separately in sets.
 - For chair models beginning with MVL, dual wheel carpet casters are standard.
 - MVL chairs can be optional with hard surface casters. Please see price list for details.
- For complete details about the Offices to Go seating program or additional product information, please refer to the Offices to Go price list or contact your Global dealer.

Arm Options

MVL2784

- Height adjustable arms for Tami, Danio, Beta and Yoho chairs
