

ZIM

shown with optional headrest

high back weight sensing synchro-tilter

The Zim™ chair boasts a timeless design with functional features. Its unique wraparound mesh back sculpts the chair and provides comfort and breathability. The weight sensing mechanism regulates the chair's tilt tension according to the user's weight, making it ideal for shared spaces such as touchdown stations or meeting rooms.

- synchro-tilter mechanism
- height adjustable T-arms with soft self-skinned urethane armcaps
- multi position tilt lock
- seat depth adjustment
- pneumatic seat height adjustment
- dual wheel carpet casters
- seat is upholstered in Black fabric
- back is available in Black or Grey mesh
- optional adjustable mesh headrest with built-in coat hanger is available (OTG11352)
